

## Candy Bar Craze

Have you ever looked through a Whatchamacallit  
And viewed the Milky Way?  
Have you ever walked down Fifth Avenue,  
Or had a big Pay Day?  
Have you ever counted a 100 Grand,  
Or seen a teen Twix twelve and twenty?  
Have you seen a cook with Butter Fingers  
Whose food was always Good and Plenty?  
Have you ever heard the animals' Snickers  
When a bear tried for a Bit-O-Honey?  
They laughed both Now and Later  
As the bear hopped around like a bunny.  
Have you ever seen a quarterback Crunch,  
If you haven't you've missed some fun  
Cause the NFL is really Pro Crunch  
When the quarterback is under the gun.

Now reading this verse can make you hungry  
And build an appetite dandy;  
Just think of us when you sit down  
And eat these bars of candy!
