Thank You To All

for your support during Charlie's absence. I knew I could count on you!! And thank you to those who have given me money and items for my upcoming trip to Guyana(Feb.5-18).
Love you! Robin

A pleasant welcome to all. We are glad that you are here.

I have returned from the land of 7 Emirates! Thanks for all your prayers. Abu Dhabi, which sounds like a place that involves a genie and a magical lamp, is actually quite nice. I look forward to telling you about it in the weeks to come.

On the trip over, while crossing the North Sea, we experienced severe turbulence. Nothing threatening, but I couldn't help think of the song that we sing, 774, "While on the Sea".

It was good to hear that **Denver Collins** is home from the hospital. He and **Sandy** sure have been through a lot. **Betty Moorehead** is recovering from her foot surgery. **Roland Eastman** will be going through surgery soon. Let's make sure we pray for these and those listed in our prayer list. You don't have to be in a boat or a plane to experience turbulence in your life. Stay strong!

Today is a great day.

1st and foremost, this is the day that our Lord overcame death and rose from the grave! WHAT A SAVIOR!!

2nd This is the day that we offer our worship to GOD. WHAT A PRIVILEGE!

3rd this is the day that we appoint Deacons to serve the church here at Little Hocking. I am very thankful for all the members of our congregation, for all you do, and especially for the 6 men that have accepted this very important role. Let us all work together to be all we can be! Please pray for the Deacons and Elders to work together care for the congregation and to bring glory and honor to GOD.

"Watch ye, stand fast in the faith, quit ye like men, be strong" -
1 Cor 16:13

In Him
Charlie
