Good Morning and a pleasant welcome to everyone! If you are visiting we want you to know that we very glad that you are here and encourage you to join with us as we worship God in spirit and truth.

Please pray for **Robin, Jean and Dave** as they work in Guyana. They left Thursday evening from Columbus, flew to Detroit, then to New York and on to Georgetown, Guyana. Robin called during the layover in New York and has not called since. Lack of communication is not uncommon on these trips because things in the rain forest of South America (during the rainy season) don't always work as expected. Once in Guyana, they were planning to travel to Linden to visit **brother and Sister Andrews** (they visited our congregation several years ago and he preached while here. I will always remember him saying that he loved to go to the places where you eat until you get tired!). Following their visit they would take the long fragile trail to Kwakwani. Lord willing, they will be arriving back in Columbus some time on the 18th.

While **Dave** is away **Bob Swain** will be conducting the morning bible studies and **Gary Kehl, Brian Hall, Jeremy Kehl** and myself will be doing the preaching.

Ron Eastman will be having surgery Monday morning at Camden Clark Hospital. Please pray for him and the doctors and nurses that care for him. We wish him a speedy recovery. Please pray for all the families and friends of the congregation that are sick.

I am glad everyone survived the power outage. It brought hardship on about 1/3 of the congregation and lasted almost a week. Thanks for watching out for each other. The nice weather that we now have will be very much appreciated.

Enjoy our opportunity to assemble and worship God. Christians in the U.A.E. are required to work every Sunday. They work 6 days a week with their only day off being Friday. We are very blessed and very fortunate.

“Watch ye, stand fast in the faith, quit ye like men, be strong” - 1 Cor 16:13

In him
Charlie
