Greetings from the elders,

Welcome to our services this morning. Your presence is appreciated. Sometimes getting here is not easy due to the weather conditions this time of year. Each time we are able to meet our spirits are lifted and we encourage one another. Some of our members are not as fortunate to be able to get out right now and enjoy these blessings. Please keep them in your prayers and encourage them in some way this week. There are many ways to do this. Again, if anyone needs help please let us know. Hopefully, we did not miss notifying anyone concerning the cancellation of Wednesday evening Bible study this past week because of weather concerns and safety. We have more work to do on updating our call list. Your patience is greatly appreciated and if anyone was not notified it was not intentional. Thanks to all who helped make the phone calls.

We know that Robin, Charlie, Jean & Dave made it safely to Guyana. Please continue to pray for them and their work. From what I have heard from Mark & Missy things seem to be going well in Guyana. They have been in contact with them on a couple of occasions since they left on their trip. The temperature has been averaging in the mid 80's there. What a contrast! I think Charlie got sunburned. I guess I shouldn't have made a joke about it before they left. We pray for their safe return on Wednesday night and look forward to their report. I would like to take a moment to again thank all those who have "filled in" while they have been away. I believe this has been a great opportunity for personal growth in the Lord's work for many and the congregation as a whole has been blessed too! Thanks to all of you for supporting the work in Guyana so faithfully and for being so supportive of those who have served us the past couple of weeks.

In regards to the surveys that were handed out recently, a total of forty-one have been turned in already. Thank you for your input! We certainly don't want to miss anyone's input, so if you did not receive one please let us know. Our desire is for 100% feedback from the congregation. We will be evaluating them very soon and will let you know the results. We trust the decisions that are made will be for the growth and benefit of our congregation.

Have a great week,

Bob
