Greetings from the Elders,

A pleasant good morning to all! We're glad that you are here. If you are visiting this morning we want you to know that we are very glad that you are here and encourage you to join with us as we worship God in spirit and truth. Please come back any and all times that you can.

I am so thankful for all of our young moms and dads that are trying to raise their children in today's world. The challenges are different in some ways but much the same in other ways. The responsibility is great, but the reward of seeing your children succeed in life and stay faithful to GOD is priceless. Don't give up. Your children are worth it.

Drug Problem – author unknown

"The other day, someone at a store in our town read that a methamphetamine lab had been found in an old farmhouse in the adjoining county and he asked me a rhetorical question. "Why didn't we have a drug problem when you and I were growing up?"

I replied; I had a drug problem when I was young: I was drug to church every Sunday morning, I was drug to church for weddings and funerals, I was drug to family reunions and community socials no matter the weather. I was drug by my ears when I was disrespectful to adults. I was also drug to the woodshed when I disobeyed by parents, told a lie, brought home a bad report card, did not speak with respect, spoke ill of the teacher or preacher, or if I didn't put forth my best effort in everything that was asked of me.

I was drug to the kitchen sink to have my mouth washed out with soap if I uttered a profanity. I was drug out to pull weeds in mom's garden and flower beds and cockleburs out of dad's fields. I was drug to the homes of friends and neighbors to help out some poor soul who had no one to mow the yard, repair the clothesline, or chop some firewood, and, if my mother had ever known that I took a single dime as a tip for this kindness she would have drug me back to the woodshed.

Those drugs are still in my veins and they affect my behavior in everything I do, say or think. They are stronger than cocaine, crack or heroin; and if today's children had this kind of drug problem, America would be a better place. GOD bless the parents who drugged us!"

Ephesians 6

- 1. Children, obey your parents in the Lord, for this is right.***
- 2. HONOR YOUR FATHER AND MOTHER, "which is the first commandment with promise:***
- 3. THAT IT MAY BE WELL WITH YOU AND YOU MAY LIVE LONG ON THE EARTH."***
- 4. And you, fathers, do not provoke your children to wrath, but bring them up in the training and admonition of the Lord.***

"Watch, stand fast in the faith, be brave, be strong.

Let all that you do be done with love." 1Cor 16:13-14

Have a good week

In Him
