Good morning and welcome to the Lord's church at Little Hocking. We are glad you are here and hope that you find everything we do to be in accordance to God's Word. If anyone has a need or question concerning worship, please let it be known.

We rejoice with Tonya Plummer in her decision to obey the gospel. Tonya was baptized last Sunday. We welcome her into the family of God and invite everyone to be an encouragement to her. If you have not met her, please do so.

August 30th we started our visitation program back up. We need you to come and be a part of the program. We will not meet this week, but we will meet next week, Sept. 13th. Hope you can be there. If you would like to be part of the program, but can not be there on the 13th, please see me, and I will make sure you can get involved.

Dave and Jean are in Pennsylvania this week. We welcome Bob Crawford with us today. Bob will be speaking for both morning and evening service. We hope everyone will be encouraged to be here tonight.

Is it love or just being selfish? When someone you love has grown old and their quality of life has become one as to just exist. When you visit with them and in their eyes you are someone they should know. You love her and would like to see her around forever. I understand! But this is not God's plan. In God's Word it is plain to see, that each one of us will depart the life as we know it.

Heb 9:27-28

And inasmuch as it is appointed unto men once to die, and after this *cometh* judgment; so Christ also, having been once offered to bear the sins of many, shall appear a second time, apart from sin, to them that wait for him, unto salvation.

Phil 1:23

But I am in a strait betwixt the two, having the desire to depart and be with Christ; for it is very far better:

Phil 1:27

Only let your manner of life be worthy of the gospel of Christ: that, whether I come and see you or be absent, I may hear of your state, that ye stand fast in one spirit, with one soul striving for the faith of the gospel;

The doctor asked my family a question this week concerning my mom. Do we let her die in peace or keep prolonging her agony? Paul suggests that it is far better to depart and be with Christ. He also suggests we need to live a manner of life worthy of the gospel of Christ.

Let us live today, so we can have peace here on earth, and when we die we can die in peace.

Phil. 1:20-30
